02 / THE STORY

Between the pipes, he's already a legend.

Jack is 9 years old, the #1 ranked goalie in Tennessee, and the top netminder in the Southeast. He plays bigger than his age. Quick glove, calm in the crease, and a competitive streak that doesn't let up.

He tends the pipes for the Music City Marauders this season after two strong years with the Nashville Flyers. From local Nashville rinks to championship podiums, he's built a reputation as the goalie other teams game-plan around.
